If you do not agree with these General Terms and Conditions in part or in full, please do not purchase or use Abon.

1.4. Upon request, our distribution centers (see Article 4 below) will provide you with a printed copy of these Terms prior to purchasing Abon. You can also download a copy of the Terms from the Website at any time.

2. Amendments to the General Terms and Conditions

2.1. We are authorized to amend these Terms if we deem it necessary or if required to do so by law. If we intend to do so, we will notify you of the intended amendment at least 2 (two) months before the proposed effective date of the amendment. Any notices and amendments will be published on <https://aircash.eu> (the “**Website**”). Please visit the Website regularly for possible notices and amendments to the General Terms and Conditions.

2.2. We will assume that you agree with the proposed amendments and that you accept them if you do not submit a written statement rejecting the amendments before they enter into force. If you accept the changes, they shall become binding and apply to transactions with Abon.

2.3. Prior to the effective date of the amendments, you have the right to terminate the agreement free of charge with effect from any date prior to the effective date of the amendments. In the proposed amendments to the Terms, we will instruct you on the consequences of your silence and on the right to immediate termination of the agreement free of charge. For more information on the procedure related to the termination of the agreement, we refer you to Article 7 (Termination).

2.4. Extending the functionality of our service or introducing new services that do not interfere with existing services does not constitute a change in the Terms.

3. Fees

3.1. The Issuer does not charge the Abon User a fee for issuing electronic money.

3.2. We do not charge a fee for checking your Abon balance. However, the following fees shall apply:

3.2.2. Maintenance fee: free of charge for the first 1 month after purchase and then fee in the amount of (*Please see country-specific T&C for the amount*) applies. The fee is deducted directly from your Abon balance.

3.2.3. (*There can be country specific fees applicable in this section – Please see country-specific T&C*)

3.2.4. Currency conversion fee: in accordance with Paragraph 8.5: 2% of the transaction amount.

3.2.5. The redemption fee shall be charged in accordance with Article 6 in the amount of 7.5%.

4. Purchasing Abon

4.1. By purchasing an Abon, you accept these Terms and enter into an electronic money issuance agreement with us. The agreement is concluded for an indefinite period of time. For technical reasons, it is possible for an Abon to have an expiration date printed on it. However, this does not in any way affect the duration of the agreement or the value stored on the Abon.

4.2. You can purchase an Abon in distribution centers that have entered into a contract with us ("**Distribution Centers**"). You can find your nearest Distribution Centre on the Website by using the search engine. Sharing Abon vouchers with others via online file-sharing platforms is prohibited.

4.3. You can purchase an Abon exclusively at a Distribution Centre after paying the amount printed on the Abon ("**Value**"). Abon is available in the denominations defined in section 5.1.

4.4. To purchase an Abon, you must be at least 18 years old.

4.5. Each Abon is assigned a unique identification number ("**PIN**"). When purchasing an Abon at a Distribution Centre, you will receive a paper voucher with the PIN printed on the voucher, among other information. Do not disclose the information from the voucher, especially the PIN, to strangers.

4.6. Apart from the conditions listed in Article 4, no other conditions are required to purchase an Abon.

5. Issuing and Using Abon

5.1. Abon is issued in the form of a voucher in the denominations displayed on the Issuer's Website. Each Abon has a unique PIN contained in the voucher, which is stored in the central database of the Issuer.

5.2. Abon electronic money is issued immediately upon receipt of funds at the Distribution Centre, by which you become the holder of electronic money issued by Aircash and stored in Abon.

5.3. To use Abon and purchase products or services, Abon holders are not required to create a user account.

5.4. You can use Abon to make purchases at online stores (electronic commerce retailers and service providers) that accept Abon as a means of payment ("**Online Stores**"). After purchasing, you can use Abon immediately for payment in Online Stores. To use Abon, you need access to a personal computer or similar device that can connect to the Internet.

5.5. Abon is used by entering a 16-digit code into the web interface of Online Stores. By entering the code, the payment transaction is initiated, and by authorizing the transaction, the User gives their consent for the payment order to be executed. The issuer then checks the balance of the Abon in the central database of all assigned and active Abon PINs. If the balance is positive, the

Online Store immediately receives a confirmation of payment, and the User can immediately dispose of the purchased products, services or cash balances on the Online Store accounts. You then cease to be the holder of the electronic money that was stored on the Abon in question.

5.6. You can use an Abon only once for the full face value of the Abon. It is not possible to use a voucher that has already been used, nor is it possible to issue the same voucher twice.

5.7. You can use several Abon vouchers for the same payment process ("transaction").

5.8. You will be asked to enter your PIN when making an Abon payment. By entering your PIN, you irrevocably authorize the Online Store to issue a request for us to deduct the full face value of your Abon. You also irrevocably authorize us to process the deduction against your Abon in the amount of the full face value, and you give us an order to make a payment to the Online Store in the same amount. You cannot cancel your payment order after entering your PIN.

5.9. All payments made using Abon shall be denominated in *(Please see country-specific T&C for the currency)*. If you pay for goods and/or services in some other currency, the amount to be paid will be converted into *(Please see country-specific T&C for the currency)* in accordance with Article 8.

5.10. Resale of Abon without our express permission is prohibited. Also, any transfer of Abon (with or without compensation) that is contrary to anti-money laundering and anti-terrorist financing regulations is prohibited. In particular, selling, reselling, distributing or purchasing Abon on unauthorized Internet platforms is prohibited. This prohibition applies in particular to the sharing or sale of files online using file-sharing programs.

5.11. If your Abon is subjected to physical damage, you should notify us immediately, either by phone (see the number on the Website) or by email (info@aircash.eu). If the damage prevents you from using the voucher, or if it cannot be repaired, we will deliver a new Abon to you. If the value on the newly issued Abon is higher than the value on the damaged Abon, you will be required to pay the difference.

6. Redemption

6.1. You can request the redemption of your Abon at face value in full at any time. To do this, you need to send us an email to info@aircash.eu requesting redemption or call customer service at the number listed on the Website. Before redemption, you must provide us with the serial number of your Abon, your name and surname and contact phone number, a copy of a valid photo ID (identity card or passport), a copy of the valid Abon, as well as your bank account number in the European Union to which you want us to disburse the funds, together with the IBAN and BIC. In order to meet our legal obligations, we may request other information from you before processing a redemption. Redemption shall be performed without delay upon receipt of the requested information. A redemption fee shall be charged only in the following cases:

6.1.1. if an agreement stipulates the term of the agreement, and you cancel the agreement before the expiration of such term;

6.1.2. if you request redemption before the termination of the agreement, except in the case referred to in point 6.1.1. of this paragraph, or

6.1.3. if you request redemption after the expiration of one year from the date of termination of the agreement.

7. Termination

7.1. You are authorized to stop using Abon at any time and request redemption of the remaining funds in accordance with Article 6.

7.2. If you decide to stop using Abon and request redemption, we will pay you all unused funds without delay, less the fee in accordance with Article 6, if applicable.

7.3. In case of suspicion of fraud or misuse of Abon, or for security reasons, or if it is necessary due to compliance with the law, we are authorized to block your Abon immediately. This applies, for example, in case of suspicion that an Abon was purchased through online sharing or file sales or similar, for a fee or free of charge. If you contact us and we determine that these circumstances no longer exist, we will provide you with a replacement Abon. If the value of the newly issued Abon is greater than the remaining value on the blocked Abon, you will be required to pay the difference.

8. Currency

8.1. Abon is issued in (*Please see country-specific T&C for the currency*).

8.2. Abon can be used in Online Stores in the (*Please see country-specific T&C*).

8.3. Abon can also be used abroad for cross-border and international transactions in foreign Online Stores that accept Abon as a means of payment. In this case, the price of products and services will be denominated in foreign currency instead of (*Please see country-specific T&C for the currency*).

8.4. All payments for products and services in any currency other than the (*Please see country-specific T&C for the currency*) will be converted into (*Please see country-specific T&C for the currency*) at the Aircash selling rate applicable on the transaction date of the transaction. Before initiating a payment transaction, the foreign currency amount and the applicable exchange rate will be displayed on the merchant's website. Before making a payment in a foreign currency, you will need to consent to the conversion of currencies in accordance with the above conditions.

8.5. For each transaction involving currency conversion (where the currency of the voucher is different from the payment currency in the Online Store), an additional currency conversion fee shall apply in accordance with Article 3. If a commercial bank charges fees for currency conversion, they shall be calculated and charged separately from our fees and charged to your Abon.

9. Due Diligence, Security, and PIN Protection

9.1. It is your responsibility to verify that your Abon contains a PIN and a serial number. Once you receive the Abon, you are required to take all reasonable steps to protect the personalized security features of the Abon. If you cannot read the PIN and/or the serial number of your Abon or if you believe that it is incorrect in any way, you must notify us immediately by phone at (see the number on the Website) or by email (info@aircash.eu) stating the serial number of the Abon and your contact details. If your claims turn out to be well-founded, we will deliver you a new Abon.

9.2. You must guard and protect your Abon PIN from unauthorized access by third parties. **No one, not even us, has the right to ask for your PIN, except when paying in Online Stores.**

9.3. All transactions made using your Abon or PIN will be treated as if they had been made by you.

9.4. If you believe that any of your transactions have been incorrectly executed, or in the event of loss, misuse, or unauthorized use of an Abon, you must notify us without delay, but in any case, within 13 months from the date of the transaction.

9.5. If your Abon has been stolen, you must inform us by phone without delay (see the number on the Website) or via email (info@aircash.eu) to block the remaining amount on your Abon. To block an Abon, we need its serial number. After you notify us, we will block your Abon without delay and provide you with a replacement in the amount remaining after the block. If the value of the newly issued Abon is greater than the remaining value on the blocked Abon, you will be required to pay the difference.

9.6. Before we can deliver a new Abon to you, you must provide us with proof of purchase of the stolen Abon. In the event that an Abon has been stolen, we may ask you to provide us with a police record number.

9.7. You will not be liable for payment transactions resulting from the use of a lost or stolen Abon or resulting from other misuse, which have been executed after you have notified us. The above does not apply in the event of fraudulent conduct on your part.

9.8. If you lose your Abon or it is stolen and you do not report it, or you make it illegible in any way, we shall not be held responsible for it, and we shall not replace it. Please note that in that case, you may lose the entire amount stored on the Abon.

10. Objections and Complaints

10.1. If you are in any way dissatisfied with Abon or the services provided by us, please let us know by email at prigovor@aircash.eu so we can investigate the circumstances to which you refer in your complaint.

10.2. Any complaints will be resolved no later than ten (10) days from their receipt, and a response will be sent to you to the email address from which the complaint was sent.

10.3. By way of derogation from the above, if we are unable to provide you with a response within the time limit referred to above in Paragraph 10.2. of this Article for reasons beyond our control, we will provide you with our interim response within that time limit, stating the reasons for the delay in responding to the complaint and the deadline by which you will receive a final response that will not be longer than thirty-five (35) days from the date of receipt of the complaint. In our final response to the complaint, we shall also refer you to the option of submitting a complaint to the CNB.

10.4. If you believe, or if any other person with a legal interest, including consumer associations, believes that we have breached our obligations under Title(s) II and/or III of the Payment System Act or the Electronic Money Act, or that we have acted contrary to Regulation (EU) 2015/751 and/or Article 5 (2), (3) and (4) of the Act on the Implementation of EU Regulations Governing Payment Systems, you can lodge a complaint with the CNB as the competent authority.

We have an obligation to participate in alternative dispute resolution procedures thus initiated.

your Abon. In doing so, we are authorized to ask you for proof of purchase of the Abon, as well as ID and account information (if required). The above does not apply to the following cases, where you will be liable for all losses on the Abon if:
